We already purchased a lot of the materials for (stroller) production, and there was no way back. We didn’t have the money and the only way out was innovation.”

Song Zhenghuan is the man whose innovations have changed the design of baby carriages forever, and turned transporting kids into a stroll.

Song Zhenghuan can’t stop smiling as he watches a steady stream of滚动ing baby strollers. He says, “Once a nursery rhyme and a common childhood memory, now it is no longer just a child’s game.”

In 1991, Song offered his full- and two years later, Goodbaby strollers soared to 120 million yuan in sales, ranking first among peers.

The design on the Baby Stroller Line during the National Day holiday reached 43.41 billion yuan ($6.13 billion) in sales, up 30.69 percent year-on-
