## Online Show Guide

## II. Onsite Display via Smart Screen

### Smart Screen Video Upload

3. Click 'Online Exhibition' and then 'Virtual Booth'.

The screenshot shows a web interface for an online exhibition. At the top, there is a blue navigation bar with the following tabs: Home, General Info, Online Exhibition (highlighted with a red box), Badges and Tickets, Forums and Events, and Online IM. Below the navigation bar, there is a sidebar menu with the following items: General Info, Exhibitor Info, Exhibit/Project Info, General Info List, Online Exhibition (highlighted with a red box), Virtual Booth (highlighted with a red box), Audience Message, Badges and Tickets, Badges, E-ticket, and Others. A purple double-lined arrow points from the 'Virtual Booth' item in the sidebar to the 'Virtual Booth' item in the main content area. The main content area displays a 'Virtual Booth' page with a 'Warm reminder' section containing the following text: 'It is allowed to edit exhibit data before the submission expiry date; otherwise verified data is not allowed to revise when submission is expired.' Below this, there are 'Video requirements' listed: 'Resolution: at least 1080p and above', 'Code rate: no less than 2500kbps', 'Duration: within 10 minutes', 'Format: MP4, MKV, AVI and other mainstream video formats, MP4 format is recommended', 'Size: single video size is less than 1GB', and 'Quantity: at least 1, maximum 3'. Below the requirements, there is a red warning message: 'Virtual Booth info submission is expired'. Underneath, the current status is 'to be submitted'. The form contains the following fields: 'Equipment number' (empty), 'Conference room number' (60128502), 'Conference room password' (empty), and three 'Select Video' buttons (Select Video 1, Select Video 2, Select Video 3).

## II. Onsite Display via Smart Screen
