WISTERIA IN FULL BLOOM IN JIADING

Hundreds of spikes of wisteria flowers, in more than 30 varieties, are in full bloom at Wisteria Park in Jiading District. Due to the ongoing COVID-19 resurgence in Shanghai, this year's Jiading Wisteria Season is being promoted online. People can enjoy the "violet rain" through high-definition cameras. A wisteria livestreaming studio, promoted by the Jiading app and Jiading WeChat channels, is popular among residents. – Si Shushu
