01 About YNU

Yunnan University, founded in 1922 and officially opened in 1923, is one of the earliest comprehensive universities established in Southwestern China. It was listed by *Concise Encyclopedia Britannica* as one of the 15 world's famous universities in China. In 1996, it was among the first universities to win the membership of "Project 211". It was selected into the first batch of national "Double First-Class" universities in 2017 and retained its status in the second round of "Double First-Class" construction in 2022. On the occasion of its 100th anniversary in 2023, Yunnan University received a congratulatory letter from Chinese President Xi Jinping. The university has developed a complete and talent-intensive discipline system, with distinctive strengths in ethnology, ecology, statistics, biology and biomedicine, development of characteristic resources and environmental protection, as well as area studies.

Yunnan University is located in Kunming, Yunnan Province, China, with a pleasant climate and beautiful environment. It has two campuses (Chenggong and Donglu), first-class facilities, abundant resources, and a highly professional faculty. It is student-oriented and one of the ideal universities for study.
